

Report on the 2021 Session

Friends and Neighbors,

To start, I would like to say thank you to the over 30,000 voters that have once again placed their faith in me to represent them; I will continue to faithfully serve House District 65 and the state of Colorado. Also, congratulations to the other members of the Republican party that have won their first elections or have been re-elected. I look forward to serving with everyone in the coming sessions for the betterment of Colorado.

I would also like to take this moment to announce that I will be serving as the Whip for the Minority in the House of Representatives. I will be serving alongside Representative Hugh McKean as Minority Leader, Representative Tim Geitner as Assistant Minority Leader, Representative Janice Rich as Caucus Chair, and Representative Kim Ransom serving as our Joint Budget Committee Member.

We will no doubt be heading into another tough session during which we will find ourselves holding the line to protect rural Colorado, conservative values, and dealing with budget shortfalls that will present themselves. I have no doubt that this leadership team, along with the Republican Caucus in the House and the Senate will spend every day of the 2021 session holding the line and fighting for Colorado!

Faithfully,

Representative Rod Pelton
