

End of Year Report

REPRESENTATIVE ROD
PELTON

Friends and Neighbors,

Christmas is an important time to pause and take the time to show appreciation for the things that matter the most. For me, it is my family, friends and the constituents of House District 65 who I proudly serve.

As we wrap up 2020 and head into the New Year, my thoughts and prayers are with those who have been affected by this unprecedented year. Rest assured, I will continue to fight for rural Colorado and its people in the new year and in the upcoming legislative session.

The 73rd General Assembly was slated to reconvene on January 13th, 2021; however, the democrats, who are in control of both the Senate and House, announced a COVID-19 delay this past week. The delay will now push back the 120-day legislative session start date to February 16th, 2021. This delay comes at a time when the people need us the most. Alongside my fellow Republican colleagues, I am ready to get back to work and fight for all Coloradans to re-open our great state.

Serving as your representative and the minority Whip in the House of Representatives in 2021, your concerns are important to me and I encourage you to reach out to my office with any pressing issues that concern you.

May God bless you and keep you and your family safe this holiday season.

Merry Christmas and Happy New Year,

Representative Rod Pelton
